Explanation: RSMo Section 21.140 is set forth hereinafter with the new matter underlined and deleted matter in brackets; [thus]

Be it enacted by the people of Missouri:

Section 21.140 and Section 105.005 of the Revised Missouri Statutes are amended, to read as follows:

21.140. 1. Each senator and representative shall receive from the treasury an annual salary of [eighteen thousand seventy-eight dollars] fifty thousand dollars, effective the first day of January, 2019, plus any salary adjustment provided pursuant to section 105.005, after the first day of July, 2019. The speaker of the house and the president pro tem of the senate shall each receive as additional annual compensation the amount of two thousand five hundred dollars, and the speaker pro tem of the house and the majority and minority floor leaders of the house and senate shall each receive as additional annual compensation the amount of one thousand five hundred dollars. Upon certification by the president and secretary of the senate and by the speaker and clerk of the house of representatives as to the respective members thereof, the commissioner of administration shall audit and the state treasurer shall pay such compensation. Senators and representatives shall receive, weekly, a mileage allowance as provided by law for state employees, in going to their place of meeting in Jefferson City from their place of residence, and returning from their place of meeting in Jefferson City to their place of residence while the legislature is in session, on the most usual route, if the senator or representative does travel to Jefferson City during that week.

2. The salary adjustment provided for herein by the amendment to section 150.005.1 shall only be enacted and take effect if the people of the state of Missouri approve an amendment to the constitution reducing the number of representatives from 163 to 50, thus providing the appropriations necessary to fund this particular salary adjustment.

105.005. 1. The salary set by sections 21.140, 26.010, 27.010, 28.010, 29.010, 30.010, 105.950, 138.230, 138.235, 138.236, 138.440, 138.445, 217.665, 286.005, 287.615, 386.150, 386.190, 621.015, and 621.055 shall be adjusted on July first of each year and the adjustment shall not be less than zero.

2. The salary adjustment provided by this section shall not be effective in any amount in excess of the salary adjustment for the executive department contained in the pay plan applicable to other state employees at a similar salary level for that fiscal year. The salary adjustments provided by this section shall not be effective unless appropriations necessary to fund the adjustments are approved by the general assembly and the governor. Each salary adjustment to be approved pursuant to this section shall be stated in a separate line item of the pertinent appropriation bill. If the constitution of the state of Missouri is amended in such manner as provided for by section 105.005.2 herein, the provisions of this section shall be waived for the particular salary adjustment provided for in the amendment to section 21.140.1 herein, and only for said salary adjustment.

3. Each salary adjustment approved pursuant to this section for offices that have a statutory salary shall be added to the compensation otherwise provided by law for each office if such, including prior salary adjustments made pursuant to this section, and the sum of these amounts shall be the statutory salary of the office for all purposes. Each such statutory salary shall be included in the pertinent appropriation bill in the same manner as any other personal service appropriation involving a statutory salary.

4. The office of administration shall maintain a compensation schedule for each fiscal year indicating the statutory salary or salary range paid for each office subject to this section and the salary adjustment contained in the pay plan applicable to other state employees generally. The schedule required by this subsection shall be open for public inspection during the normal business hours of the office of administration and shall be included annually in the Missouri Register and an appendix to the Revised Statutes of Missouri. For each office for which a salary adjustment is approved pursuant to this section, the revisor of statutes shall place a revisor's note following each section providing compensation for the office referencing the reader to the compensation appendix.
