THOMAS A. SCHWEICH

Missouri State Auditor

Honorable Jeremiah W. (Jay) Nixon, Governor
and
Members of the General Assembly
Jefferson City, Missouri

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a report regarding federal seizures and the proceeds therefrom to the Department of Public Safety and the State Auditor's office. Although Section 513.653.1, RSMo, only requires my office to receive these reports, my office has compiled the information presented to us by law enforcement agencies. The compilation is limited to presenting information that is submitted. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them, including whether or not an agency is in compliance with the statute. The primary objectives of this compilation were to:

1. Identify those law enforcement agencies that submitted federal forfeiture reports; and
2. Summarize the information reported.

Conclusions regarding compliance cannot be made regarding the law enforcement agencies that did not file a report, but results suggest the majority of law enforcement agencies did not use the federal forfeiture system during 2013.

A handwritten signature in black ink that reads "Thomas A. Schweich".

Thomas A. Schweich
State Auditor

The following auditors participated in the preparation of this report:

Deputy State Auditor: Harry J. Otto, CPA
Director of Audits: Regina Pruitt, CPA
In-Charge Auditor: Becky Webb, CPA, CFE
Audit Staff: Dana Wansing, MPA

Compilation of 2013 Federal Forfeiture Reports

Executive Summary

Law Enforcement Agencies Required to Submit a Federal Forfeiture Report to the State Auditor's office

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to annually file a report regarding federal seizures and the proceeds received therefrom with the Department of Public Safety (DPS) and the State Auditor's office (SAO).

The DPS compiled a list of law enforcement agencies using information from the Peace Officer Standards and Training (POST) program and the Justice Assistance Grants (JAG) distribution lists, and notified the law enforcement agencies of the requirement to submit reports if the agencies participated in the federal forfeiture system. The notification also included the federal forfeiture report form developed by the DPS. According to DPS personnel, the list does not represent a complete list of all law enforcement agencies, but includes all law enforcement agencies receiving funding from the DPS. Of the 690 law enforcement agencies on the list, 3 cities responded they no longer have a police department (see Appendix B). Thus, these 3 entities are not included in the reporting status, leaving 687 law enforcement agencies as the total possible reports. The following table summarizes the 2013 reporting.

Reporting Status	Number	Percentage
Agencies reporting participation (Appendix A)	137	19.94 %
Agencies reporting no participation (Appendix B)	198	28.82
Number of agencies reporting	335	48.76
Number of agencies that did not report	352	51.24
Total Possible Reports	687	100.00 %

The majority of law enforcement agencies on the list did not respond and were not required to respond if they did not participate in the federal forfeiture system. The other 335 agencies submitted a report indicating their agency either did not participate in the federal forfeiture system or did participate and provided applicable reporting data.

Law Enforcement Agencies Not Reporting

A total of 352 law enforcement agencies did not file a 2013 federal forfeiture report. Seven of these law enforcement agencies reported a December 31, 2012, fund balance on their 2012 federal forfeiture report, and are listed below.

- Cameron Police Department
- Eureka Police Department
- Hickory County Sheriff's Department
- Jefferson County Municipal Enforcement Group (JCMEG)
- Normandy Police Department
- Park Hills Police Department
- Webster Groves Police Department

Executive Summary

Conclusions regarding compliance cannot be made for non-reporting law enforcement agencies. This compilation work is not an audit and as such, no verification was performed as to whether these agencies did or did not participate in the federal forfeiture system.
