## **NICOLE GALLOWAY, CPA** **Missouri State Auditor**

Honorable Jeremiah W. (Jay) Nixon, Governor  
and  
Members of the General Assembly  
and  
Nia Ray, Director  
Department of Revenue  
Jefferson City, Missouri

Section 479.362, RSMo, requires the State Auditor's Office (SAO) to notify the Department of Revenue whether counties, cities, towns, and villages have timely filed under Sections 479.359 and 479.360, RSMo. This compilation is limited to presenting information submitted to our office. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them. The primary objectives of this compilation were to:

1. Report the filing status for cities, towns, and villages required to file a financial report with the SAO by December 31, 2015, under Section 105.145, RSMo.
2. Report whether these entities filed the addendum under Section 479.359, RSMo, and 15 CSR 40-3.170.
3. Report whether the applicable entities filed the municipal court certification under Section 479.360, RSMo, and 15 CSR 40-3.180.

The filing status for 391 cities, towns, and villages is presented in summary on page 3 and by individual entity in the appendixes. This report includes those cities, towns, and villages with fiscal year ends between February 28, 2015, and June 30, 2015, that did not file a financial report before August 28, 2015, or filed at least one of the required items (financial report, addendum, or certification) on or after August 28, 2015.

A handwritten signature in black ink that reads "Nicole R. Galloway".

## Reports Due December 31, 2015

### Executive Summary

---

#### **Executive Summary**

Section 105.145, RSMo, requires the governing body of each political subdivision in the state to prepare and remit to the state auditor an annual report of financial transactions. 15 CSR 40-3.030 requires the financial report to be remitted to the state auditor within 6 months of the end of the political subdivision's fiscal year. However, reports due between August 28, 2015, and November 30, 2015, were allowed to be filed on or before December 31, 2015. The State Auditor's Office (SAO) posts individual annual financial reports to its website. A searchable link is available at <http://auditor.mo.gov>.

Section 479.359, RSMo, effective August 28, 2015, requires every county, city, town, and village to file an addendum to the annual financial report containing (1) annual general operating revenue, (2) total revenues from fines, bond forfeitures, and court costs for minor traffic violations, and (3) the percent of annual general operating revenues from fines, bond forfeitures, and court costs for minor traffic violations.

Section 479.360, RSMo, effective August 28, 2015, requires every county, city, town, and village that operates a municipal court to file with its annual financial report a certification of substantial compliance with 9 municipal court procedures. This certification must be signed by the municipal court judge. Any county, city, town, or village that does not have a municipal court judge is not required to file a certification.

This report includes the filing status for 391 cities, towns, and villages with fiscal year ends between February 28, 2015, and June 30, 2015, that did not file a financial report before August 28, 2015, or filed at least one of the required items (financial report, addendum, or certification) on or after August 28, 2015. Of the 391 entities, 204 filed an annual financial report and 120 filed an addendum. A municipal court certification was filed by 66 entities and 115 entities with a municipal court judge did not file a certification. No counties had to file within the reporting period of this report.
