Honorable Eric R. Greitens, Governor
and
Members of the General Assembly
and
Board of Directors of Fire Protection
Districts in Greene County

Certain fire protection districts are required by Section 321.690, RSMo, to be audited and to submit their audit reports to the State Auditor's Office (SAO). To address our responsibilities of Section 321.690.3, RSMo, and 15 CSR 40-4.010 to 15 CSR 40-4.040, we have reviewed the independent audits of the fire protection districts in Greene County, as of and for the year or 2 years ended December 31, 2015. The purpose of this review was to evaluate the districts' compliance with statutory audit requirements and SAO regulations. Because our review is limited to statutory and regulatory compliance, we do not express an opinion or any other form of assurance on the audit reports.

There are 11 fire protection districts in Greene County. Section 321.690.3, RSMo, requires certain fire districts to have an audit performed biennially and to forward the audit report to our office within 6 months of fiscal year end. Some of the districts were not required to submit a report in 2016, because they obtain biennial audits and the most recent audit report submitted was for the 2 years ended December 31, 2014. These districts are expected to submit a biennial audit for the 2 years ended December 31, 2016. All districts with an audit period ending December 31, 2015, submitted audit reports.

The SAO posts individual audit reports to its website. A searchable link is available at <http://auditor.mo.gov>. A table summarizing our review of the Greene County fire protection district audit reports follows.
