CITIZENS SUMMARY

Compilation of 2014 Federal Forfeiture Reports

Background	Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a report regarding federal seizures and the proceeds received therefrom with the Department of Public Safety and the State Auditor's office.
Reporting	For the year ended 2014, 692 law enforcement agencies were identified that may need to submit a federal forfeiture report. Of these agencies, 344 did not file a federal forfeiture report and conclusions regarding reporting compliance cannot be made for non-reporting law enforcement agencies. We noted some reporting inconsistencies between years for law enforcement agencies.

Because of the nature of this compilation, no overall rating is provided.

Honorable Jeremiah W. (Jay) Nixon, Governor
and
Members of the General Assembly
Jefferson City, Missouri

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to file a report regarding federal seizures and the proceeds therefrom to the Department of Public Safety and the State Auditor's office. Although Section 513.653.1, RSMo, only requires my office to receive these reports, my office has compiled the information presented to us by law enforcement agencies. The compilation is limited to presenting information that is submitted. We have not audited the reports submitted and, accordingly, do not express an opinion or any other form of assurance on them, including whether or not an agency is in compliance with the statute. The primary objectives of this compilation were to:

1. Identify law enforcement agencies submitting federal forfeiture reports.
2. Summarize the information reported.

Conclusions regarding compliance cannot be made for law enforcement agencies that did not file a report, but results suggest the majority of law enforcement agencies did not use the federal forfeiture system during 2014.

Executive Summary

Law Enforcement Agencies Required to Submit a Federal Forfeiture Report to the State Auditor's office

Section 513.653.1, RSMo, requires law enforcement agencies involved in using the federal forfeiture system under federal law to annually file a report regarding federal seizures and the proceeds received therefrom with the Department of Public Safety (DPS) and the State Auditor's office (SAO).

According to the U.S. Department of Justice (DOJ) publication, *Guide to Equitable Sharing for State and Local Law Enforcement Agencies*, the DOJ Asset Forfeiture Program is "a nationwide law enforcement initiative that removes the tools of crime from criminal organizations, deprives wrongdoers of the proceeds of their crimes, recovers property that may be used to compensate victims, and deters crime." Any state or local law enforcement agency that directly participates in an investigation or prosecution resulting in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. Equitably shared funds must be used for law enforcement purposes, except as noted in the publication, and must increase or supplement the resources of the receiving law enforcement agency. In addition to reporting requirements under state law, there are also various program mandated accounting, reporting, and audit requirements. The U.S. Department of the Treasury administers its own Asset Forfeiture Program for similar purposes and with similar restrictions and requirements.

The DPS compiled a list of law enforcement agencies using information from the Peace Officer Standards and Training (POST) program and the Justice Assistance Grants (JAG) distribution lists, and notified the law enforcement agencies of the requirement to submit reports if the agencies participated in the federal forfeiture system. The notification also included the federal forfeiture report form developed by the DPS. According to DPS personnel, the list does not represent a complete list of all law enforcement agencies, but includes all law enforcement agencies with commissioned officers or drug task forces receiving funding from the DPS.

There are 691 agencies on the DPS list provided to our office. One city reported it did not have local law enforcement in 2014 (see Appendix B). Thus, this agency was not included in the reporting status. In addition, 2 agencies filed reports even though they did not receive notification from DPS, resulting in 692 law enforcement agencies to potentially report. The following table summarizes the 2014 reporting.

Reporting Status	Number	Percentage
Agencies reporting participation (Appendix A)	134	19.36 %
Agencies reporting no participation (Appendix B)	214	30.93
Number of agencies reporting	348	50.29
Number of agencies not reporting	344	49.71
Total Possible Reports	692	100.00 %

Compilation of 2014 Federal Forfeiture Reports Executive Summary

Reporting Inconsistencies

Approximately half of the law enforcement agencies on the list did not respond and were not required to respond if they did not participate in the federal forfeiture system. The other 348 agencies submitted a report indicating their agency either did not participate in the federal forfeiture system or did participate and provided applicable reporting data.

We noted reporting inconsistencies between years for some law enforcement agencies. Eight law enforcement agencies identified on Appendix A did not file a federal forfeiture report in 2013 but reported a beginning balance as of January 1, 2014. Two law enforcement agencies identified on Appendix B reported they did not participate in 2014 but reported an ending balance on their 2013 federal forfeiture report.

A total of 344 law enforcement agencies did not file a 2014 federal forfeiture report. Thirteen of these law enforcement agencies did not file a 2014 federal forfeiture report but reported a December 31, 2013, balance on their 2013 federal forfeiture report. In addition, one agency filed a 2013 federal forfeiture report subsequent to the release of last year's compilation report and reported a December 31, 2013, balance, but did not file a 2014 federal forfeiture report. These agencies are listed in Appendix C.

Conclusions regarding compliance cannot be made for non-reporting law enforcement agencies. This compilation work is not an audit and as such, no verification was performed as to whether these agencies did or did not participate in the federal forfeiture system.
