## **NICOLE GALLOWAY, CPA**

### **Missouri State Auditor**

Honorable Eric R. Greitens, Governor

and

Members of the General Assembly

Jefferson City, Missouri

The primary objective of this compilation is to report the filing status for political subdivisions other than cities, towns, and villages, required to file a financial report, under Section 105.145, RSMo, and 15 CSR 40-3.030. Section 105.145, RSMo, provides that the State Auditor's Office (SAO) notify the Department of Revenue if any political subdivision fails to timely submit a copy of its annual financial report. Because of different filing requirements, a separate report is issued for cities, towns, and villages.

The filing status for the 312 political subdivisions required to file a financial report by December 31, 2017, is presented in summary on page 3 and by individual entity in Appendix A. We have not audited the reports submitted and, accordingly, do not express an opinion or any other assurance on them.

This report also includes the updated filing status for political subdivisions, other than cities, towns, and villages, that filed a financial report in December 2017, after their filing deadline. The filing status for these 8 entities is presented in summary on page 3 and by individual entity in Appendix B-D.

A handwritten signature in black ink that reads "Nicole R. Galloway".

# Monthly Report on Political Subdivision Filings

## December 2017

### Executive Summary

---

### **Executive Summary**

Section 105.145, RSMo, requires the governing body of each political subdivision in the state, except counties and school districts, to prepare and remit to the State Auditor an annual report of financial transactions.

15 CSR 40-3.030 requires the financial report to be remitted to the state auditor within 6 months of the end of the political subdivision's fiscal year. The State Auditor's Office (SAO) posts individual annual financial reports to its website. A searchable link is available at <http://auditor.mo.gov>.

Section 105.145, RSMo, effective August 28, 2017, requires the State Auditor to notify the Department of Revenue if any political subdivision fails to timely submit a copy of its annual financial report. Any political subdivision that fails to timely submit the annual financial report shall be subject to a fine of \$500 per day upon notice by the Department of Revenue, except transportation development districts with a gross revenues less than \$5,000 in the fiscal year of the annual financial report.

This report includes the filing status for the 312 political subdivisions, other than cities, towns, and villages, with a fiscal year end of June 30, 2017. Cities, towns, and villages have additional filing requirements and their reporting status is included in a separate report. Of the 312 political subdivisions, 235 filed an annual financial report and 1 filed a partial financial report by December 31, 2017.

This report also includes the filing status for 8 political subdivisions, other than cities, towns, and villages, that filed their financial report in December 2017, after their filing deadline.
