To address our responsibilities of Section 217.595.6, RSMo, we have audited the revenues and the expenditures of the Working Capital Revolving Fund, as part of our audit of the state's Comprehensive Annual Financial Report (CAFR), as of and for the year ended June 30, 2019, and have issued our report (Report No. 2020-001), dated January 9, 2020. The state's CAFR is comprised of the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information (including the Working Capital Revolving Fund) of the state of Missouri, and the related notes to the financial statements.

Our report expressed qualified audit opinions on the governmental activities and the General Fund opinion units and unmodified opinions on the business-type activities, the aggregate discretely presented component units, each major fund excluding the General Fund, and the aggregate remaining fund information (including the Working Capital Revolving Fund) opinion units of the state of Missouri, as of June 30, 2019.

No findings resulted from our audit procedures related to the Working Capital Revolving Fund.
