#### CITIZENS SUMMARY

#### Findings in the audit of the Aurora Contract License Office

Background	The Department of Revenue has appointed 183 contract agents to operate contract license offices. These offices issue driver licenses; titles for motor vehicles, trailers, and marine craft; and license plates. Contract agents are compensated through transaction-based processing fees. Under a state law which became effective in 2009, the State Auditor may audit contract license offices. This audit is one of the initial 10 contract license offices audited by the State Auditor.
Accounting Controls and Procedures	The Aurora contract license office needs to improve its accounting controls and procedures. The license office did not always accurately record the method of payment, such as cash or check, and did not reconcile the composition of monies received to deposits, as required by Department of Revenue procedures.

In the areas audited, the overall performance of this entity was Good.\*

American Recovery and Reinvestment Act 2009 (Federal Stimulus) The Aurora contract license office did not receive any federal stimulus monies during the audited time period.

Excellent: The audit results indicate this entity is very well managed. The report contains no findings. In addition, if applicable, prior

Honorable Jeremiah W. (Jay) Nixon, Governor and

Department of Revenue
Jefferson City, Missouri and
Denise Blauvelt, Contract Agent
Aurora Contract License Office
Aurora, Missouri

We have audited certain operations maintained and established by the Aurora Contract License Office, as provided by Section 136.055, RSMo. The scope of our audit included, but was not necessarily limited to, the year ended June 30, 2011. The objectives of our audit were to:

- 1. Evaluate the office's internal controls related to the handling of various fee and tax transactions.
- 2. Evaluate the office's compliance with certain contractual and statutory provisions.

Our methodology included reviewing written policies and procedures, financial records, and other pertinent documents; interviewing various personnel of the office, as well as certain external parties; and testing selected transactions. We obtained an understanding of internal controls that are significant within the context of the audit objectives and assessed whether such controls have been properly designed and placed in operation. We tested certain of those controls to obtain evidence regarding the effectiveness of their design and operation. We also obtained an understanding of legal provisions that are significant within the context of the audit objectives, and we assessed the risk that illegal acts, including fraud, and violations of contract or other legal provisions could occur. Based on that risk assessment, we designed and performed procedures to provide reasonable assurance of detecting instances of noncompliance significant to those provisions.

We conducted our audit in accordance with the standards applicable to performance audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform our audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides such a basis.

The accompanying Organization and Statistical Information is presented for informational purposes. This information was obtained from the Department of Revenue's management and was not subjected to the procedures applied in our audit of the contract office.

For the areas audited, we identified (1) a deficiency in internal controls and (2) no significant noncompliance with contractual and statutory provisions.

The accompanying Management Advisory Report presents our finding arising from our audit of the Aurora Contract License Office.

# **Accounting Controls** and **Procedures**

The Aurora license office needs to improve controls and procedures over monies collected. For the year ended June 30, 2011, the office collected and remitted to the Department of Revenue (DOR) approximately \$1.7 million.

The license office did not always accurately record the method of payment (cash, check and credit card) in the accounting records and did not reconcile the composition of monies received to deposits. For example, the composition of deposits did not agree to the composition of receipts recorded for the three deposits made from June 29 to July 5, 2011. A review of these deposits identified transactions marked as paid with cash when actually paid for by check and/or credit card, and checks recorded as cash payments.

DOR official procedures for license offices provide that the composition of monies received should be reconciled to the accounting records and to deposits. Discrepancies between accounting records and deposits result in less assurance of proper handling.

#### Recommendation

The Aurora Contract License Office ensure the correct method of payment is recorded in the accounting records and the composition of monies received be reconciled to the accounting records and to deposits.

#### Auditee's Response

The Aurora License Office has already implemented the procedure that the clerk writes down if she enters a check as cash or vice versa, and the amount of said check or cash. This information will be kept with the clerk's daily reports.

#### Department of Revenue Aurora Contract License Office Organization and Statistical Information

Pursuant to Section 136.030(2), the Department of Revenue (DOR) has the authority and responsibility for the collection of motor vehicle registration fees, driver license fees, motor vehicle sales and use tax, and all other taxes. Pursuant to Section 136.055, RSMo, the director of the DOR has appointed 183 contract agents to operate contract license offices. This section also provides that the state auditor may audit the contract license offices. The DOR, License Office Bureau, under the management of the Motor Vehicle and Driver Licensing Division, is responsible for administering contract license offices throughout the state.

Starting in January 2009, the DOR began awarding license offices through a competitive bidding process. Effective August 2009, Section 136.055.2, RSMo, requires contract license offices to be awarded through a competitive bidding process. This bidding process must give priority to organizations and entities that are exempt from taxation (not-for-profit) under the Internal Revenue Code, and political subdivisions such as municipalities, counties, and fire protection districts. Contracts for the license offices are typically for one year, with three one-year renewal periods. The contract may be canceled at the discretion of the DOR.

The contract license offices issue titles for all Missouri motor vehicles, trailers, and marine craft; and issue and sell over 500 different types of license plates which can be classified into 6 major categories: passenger, truck, trailer, motorcycle, bus, and dealer. In addition, the contract license offices issue 5 basic types of driver licenses: Intermediate License (GDL), Class F (Operator), Class E (For-Hire), Class A, B, and C (Commercial), and Class M (Motorcycle). The licensing process also includes allowing customers to contribute to the organ donor program or blindness awareness fund, register with the selective services, add endorsements or restrictions to licenses, and an opportunity to register to vote.

The contract agents do not receive compensation from the DOR, but do receive the following fees, allowed by Section 136.055.1, RSMo, from customers for each type of transaction processed by the office.

#### Agent Fees

Transaction Type	Fee
License renewal	\$3.50 one year
	\$7.00 two years
Transfer of registration	\$3.50
Application or transfer of title	\$2.50
Driver, operator or chauffeur license	\$2.50 three years or less
	\$5.00 exceeding three years
Notice of lien	\$2.50

In May 2009, the bid solicitation for the Aurora Contract License Office was issued. The office was awarded to the Denise Blauvelt, effective October 15, 2009. At June 30, 2011, the contract and office managers were

Denise Blauvelt and Amy High, respectively. Ashley Bowling was appointed office manager in July 2011.

For the year ended June 30, 2011, the office collected and remitted to the DOR \$1,707,093, and retained processing fees totaling \$84,824. Additionally, as part of the bidding process, the office agreed to return 1 percent of its processing fees to the state during the first year of the contract and 1.1 percent, 1.2 percent, and 1.3 percent during the first, second, and third renewal period, respectively. For the year ended June 30, 2011, the office returned processing fees, totaling \$907, to the state.

American Recovery and Reinvestment Act 2009 (Federal Stimulus) The Aurora Contract License Office did not receive any federal stimulus monies during the year ended June 30, 2011.
